

STANDING FOR MARRIAGE RESTORATION

Group Curriculum

A Biblical alternative to DivorceCare.
God IS restoring dead marriages!

EVEN IF YOU'RE
STANDING ALONE,
GOD CAN STILL
RESTORE YOUR
MARRIAGE.

1. WHAT THIS IS

Standing for Marriage Restoration is a Christ-centered, video-based small group curriculum designed for individuals who are believing God to restore their marriage—even after separation or divorce.

This curriculum was created with the local church in mind as an alternative to DivorceCare, offering a restoration-focused approach for those who are standing in faith for healing and reconciliation.

2. WHY THIS MATTERS

Many people in our churches are silently walking through separation, heartbreak, and uncertainty in their marriage.

While many programs focus on care and recovery, this group provides a biblical, hope-filled pathway for those who desire restoration and want to believe God for what may seem impossible.

3. HOW IT WORKS

- ✓ 9-week video-based curriculum
- ✓ Weekly group meetings
- ✓ Guided discussion and prayer
- ✓ Daily personal growth through Scripture and reflection

Designed to be simple to lead and easy for churches to implement.

WHAT MAKES THIS DIFFERENT

This curriculum is uniquely designed for the one person who still desires restoration, even when their spouse no longer does.

THIS IS NOT MARRIAGE COUNSELING OR COUPLES THERAPY.

It is a Christ-centered pathway for one person to remain steady in faith, grow spiritually, and continue believing God for restoration while walking through separation.

PARTICIPANTS ARE EQUIPPED TO:

- ✓ Stay rooted in Scripture
- ✓ Remain hopeful and emotionally steady
- ✓ Grow in personal transformation
- ✓ Trust God to do what only He can do

God does marriage miracles. He can change hearts, heal relationships, and bring restoration that only He can bring.

4. HOW CHURCHES CAN PARTICIPATE

- ✓ Offer this as an alternative to DivorceCare, or as a prerequisite for those who are still believing God for restoration after their marriage has fallen apart.
- ✓ Refer individuals in your congregation who need support and hope
- ✓ Partner in bringing hope and healing to marriages in our community
- ✓ Be part of a unified, city-wide effort to believe God for restored marriages

CURRICULUM FAQ

1. WHAT MAKES THIS DIFFERENT FROM DIVORCECARE?

We honor the ministry of DivorceCare and how God has used it to bring healing to many. It serves an important role in helping people recover after divorce. Standing for Marriage Restoration offers a different path. It is designed for those who feel called to believe God for the restoration of their marriage, not just personal healing after it ends.

While DivorceCare focuses on moving forward, this curriculum is built on the bold, biblical belief that God can restore marriages — even after separation or divorce. That through the power of Christ any dead and dying marriage can indeed still be restored!

2. IS THIS CLASS FOR ME AND MY SPOUSE TO ATTEND TOGETHER?

This is not a marriage class where you and your spouse attend together. This curriculum is designed specifically and entirely for the one person who is still standing and believing for restoration — even when their spouse has walked away, filed for divorce, or wants nothing to do with the marriage.

You will not be sitting in a room with your spouse. You will be in a room with other believers who are in the same battle you are in, learning how to fight in prayer, stand in faith, and believe God for the impossible.

3. WHAT IF MY SPOUSE HAS MOVED ON AND TOLD ME WE ARE NEVER GETTING BACK TOGETHER — WILL THIS COURSE HELP ME?

This is EXACTLY who this course is for. Christine told Pastor Jason countless times that it was over and for him to move on. She was done. The marriage was finished in every way the world could see. And yet God had other plans.

That is precisely what Standing for Marriage Restoration is all about — not the marriages that are struggling, but the ones the world has already declared dead.

If your spouse has walked away, filed for divorce, blocked your number, or told you to stop believing — this course was built for you. You are not crazy for still believing.

4. DO YOU BELIEVE PEOPLE WHO HAVE BEEN DIVORCED WERE WRONG OR OUT OF GOD'S WILL?

We do not shame, judge, or condemn anyone who has experienced the pain of divorce. We recognize that every situation is deeply personal and often filled with hurt, complexity, and difficult circumstances. This curriculum is not about looking back with guilt or assigning blame for what has already happened. Instead, it is about inviting God into the present moment and believing for His power to heal, restore, and move in what is currently broken.

We also fully acknowledge that Scripture presents situations where divorce is addressed, and we are not here to argue or debate those interpretations. Our focus is simple and intentional — to come alongside those who desire restoration in their current situation and help them build faith in a God who is able to redeem, heal, and do miracles in relationships. Our heart is always to bring hope, never shame, and to point people toward what God can do starting today.

5. DO I NEED A LARGE CHURCH TO RUN THIS CLASS?

Not at all. Standing for Marriage Restoration is designed to work in churches of any size, from a small group in a living room to a full city-wide campaign.

The curriculum is flexible, the videos do the heavy teaching, and the Leader's Guide walks your coordinator through every step.

6. DO PARTICIPANTS NEED TO BE CURRENTLY SEPARATED OR DIVORCED?

No. This curriculum is for anyone standing in faith for their marriage — whether they are separated, post-divorce, experiencing serious marital struggle, or simply want to strengthen their understanding of marriage and God's power to restore.

It is also a powerful tool for intercessors who are praying for the marriages of loved ones.
